Definitions. Social theory by definition is used to make distinctions and generalizations among different types of societies, and to analyze modernity as it has emerged in the past few centuries.: 10 Social theory as it is recognized today emerged in the 20th century as a distinct discipline, and was largely equated with an attitude of critical thinking and the desire for knowledge through a ...

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...
