

day after disaster the pdf

The following account of the accident is derived from real time telemetry data and photographic analysis, as well as from transcripts of air-to-ground and mission control voice communications. All times are given in seconds after launch and correspond to the telemetry time-codes from the closest instrumented event to each described event.

The Disaster Center hosts a Talking About Disaster: Guide for Standard Messages The CDC has recently come out with its Social Media: Preparedness 101: Zombie Apocalypse Guide and announced a forthcoming video contest. The idea that all these efforts are concerned with is that you and your family be prepared for disasters.

The Disaster Center - Home Page

Our work doesn't end after disaster strikes. After the emergency phase of a response has been completed, we turn to helping people recover and addressing lingering community needs.
