

### **death by the drop pdf**

There are four ways of performing a judicial hanging: suspension hanging, the short drop, the standard drop, and the long drop. A mechanised form of hanging, the upright jerker, was also experimented with in the 18th century, with a variant of it used today in Iran.. Suspension. Suspension causes death by using the weight of the body to tighten the noose around the trachea and neck structure.

Brain death is the complete loss of brain function (including involuntary activity necessary to sustain life). It differs from persistent vegetative state, in which the person is alive and some autonomic functions remain. It is also distinct from an ordinary coma, whether induced medically or caused by injury and/or illness, even if it is very deep, as long as some brain and bodily activity ...
