What are idioms? Idioms & meaning. Idioms are expressions which have the meaning that is not obvious from the individual words. For example, the idiom drive somebody round the bend means make somebody angry or frustrated, but we cannot know this by looking at the words.. The best way to understand an idiom is to see it in context.

### **What are idioms? | English Learners**

An idiom is a phrase, saying or a group of words that has a metaphorical (not literal) meaning, which has become accepted in common usage. An idiom's symbolic sense is quite different from the literal meaning or definition of the words of which it is made.
