

downbelow station the company pdf

Introduction. As humanity reaches out to the stars, space stations are financed by the private Sol Corporation, eventually known as the Earth Company. Each new station is built by the previous one and is located ever farther away from Earth. In the days before faster-than-light travel (FTL), nine stations are laboriously constructed around nine stars, all lacking habitable planets.

A lot of the time, military forces in the media don't really seem all that military. The characters get to wear neat uniforms and live in a Cool Ship or base, but don't have to deal with the strict hierarchy, discipline and training that exists in the Real Life military. A Military Maverick who disobeys orders is likely to receive no harsher punishment than getting assigned to Peeling Potatoes ...
