2.5 Name not to be too general. Regulation 181(section 5) provides that a corporate name shall not be too general. The reason for this prohibition is that corporate names that are too general tend to infringe on a number of existing names, are likely to contribute to confusion and unduly restrict or limit the possibility of using names in the future that otherwise would be available to the ...

Medicaid in the United States is a joint federal and state program that helps with medical costs for some people with limited income and resources. Medicaid also offers benefits not normally covered by Medicare, like nursing home care and personal care services. The Health Insurance Association of America describes

Medicaid as "a government insurance program for persons of all ages whose income ...
